The major aim of this book is to encourage the students to speak and write English. The teaching material is structure in such a way that makes it possible for the students, with the help of lecturer to improve speaking and writing ability. It is expected that the students learn the material easily during the teaching learning process step by step from simpler to the complex speaking and writing contexts.

This book consists of 10 chapters (unit 1 - unit 10) and each chapter is provided by giving the case in brainstorming students' knowledge and followed by theory (grammar focus) and ended by giving students practices. It is expected that at the end of the term, students have better self confidence to express themselves and communicate in English.
